

Tucson Women's Chorus

needs your help!

Who we are & what makes us special

- We are a community chorus for women and girls.
- We welcome all who love to sing, regardless of previous experience or sight-reading ability.
- We sing rounds, chants and songs from cultures and traditions around the world.
- We focus on using our natural voices.
- We learn songs the way our ancestors learned them for millennia - by singing them.

We need your help!

Now more than ever women are in need of an uplifting outlet in their lives. Your contribution will help us welcome and support all who wish to join our community of women singers.

Your support will help TWC continue to exist and thrive

Benefits of being a Fall Sponsor

- Your name listed on our website
- The opportunity to submit a paragraph description including your contact information on our website
